PROGRAM DESCRIPTION

The Community Arts Impact Grant (CAIG) Program recognizes the value of the arts as a vital tool for civic engagement across a wide range of issues. Therefore, funding can be used to support arts programming that is taking place in a variety of settings throughout the county, as part of a larger mission to provide services to individuals and communities. Additionally, this grant program is meant to provide nimble/flexible funding while serving as a “training opportunity” for small, community-based organizations that are new to grant writing and/or seeking support from the Arts Council of Hillsborough County.

The CAIG program is designed to make arts and cultural opportunities more accessible for underserved populations across Hillsborough County. We are committed to programs with geographic, ethnic and age diversity, as well as programs that serve veterans and people with disabilities. The goals of the Community Arts Impact Grant Program are aligned with the Arts Council of Hillsborough County’s Strategic Plan to ensure cultural equity and access to arts and culture for every citizen of Hillsborough County.

ELIGIBLE ORGANIZATIONS

- Community organizations, neighborhood associations, ethnic/cultural organizations, as well as emerging arts and culture organizations.
- Applicant organization must be a 501 (c)(3) organization in good standing at the time of application.

- Applicant organization must be registered as an active nonprofit Florida corporation with the Florida Division of Corporations with a principal address in Hillsborough County.
- Applicant organizations must be apolitical and nonideological.

Ineligible Applicants include:

- Organizations and groups based outside of Hillsborough County, Florida.
- Organizations who have been approved for a Cultural Development Grant through the Arts Council for FYE 2022.
- Organizations that have not successfully fulfilled contractual grant agreements with the Arts Council in previous years.
- Hillsborough County Special Events Partnership grantees for the same project
- Municipalities, governmental entities, educational institutions, and fiscal agents.

FUNDING AVAILABLE

Your total project cost may not exceed \$50,000. Applicants may request between \$1,000 and \$5,000 and may make only one application per grant period, per organization. This is a reimbursement-based grant.

ELIGIBLE PROJECTS

- Cultural projects must be within the disciplines of dance, folk arts, literature/creative writing, media arts, music, theatre, visual arts, or multi-disciplinary art forms.
- All activities funded through this program must be open to the general public.
- Projects must take place between November 1, 2021 and August 31, 2022.
- Projects must be designed to elevate and advance arts and culture in the community.
- Community impact through arts and cultural programming must be the primary focus of the proposed project.

A project submitted for funding does not have to be a new activity. Existing projects looking to expand to new audiences or measurably increase the program are equally competitive with new activities, provided that they support programs in communities that have limited access to traditionally structured arts programming.

It is recommended that applications focus on one program or activity. However, the projects can be a combination of various types of programming or activities.

Projects can be small in scope and do not need to serve large numbers of people as long as they positively impact the organization's purpose or mission, and are aligned with the funding priorities of this CAIG program.

CASH MATCH REQUIREMENTS

Because this funding is designed to build capacity and long-term sustainability for the applicant organization, the following cash match requirements are in place:

- No prior CAIG award – No cash match required for the project
- One (1) prior CAIG award – 25% cash match required
- Two (2) prior CAIG awards – 50% cash match required
- Three (3) or more prior CAIG awards – 100% cash match required

Percentages of cash match are based on final funding amount awarded. For example, if an award of \$2,000 is made, the cash match if you are a one-time prior recipient must be \$500. A two-time prior recipient, the cash match must be \$1,000. And, a three-time or more, prior recipient, the cash match must be \$2,000.

Applicants are encouraged to show any additional funding in the project budget even though a match is not required. Additional cash will demonstrate commitment to the project for the application review panelists.
